EMILY RAPER

Organized developer and technical writer passionate about modern and innovative web technologies and applications and content.

Educational Technology Developer
College of Science & Engineering, University of Minnesota

Sep 2019-Present • 2 months • Minneapolis, MN

Collaborates with a team of developers to build startup educational tools primarily using React.js and other in-demand and innovative web technologies. Contributes as both a JavaScript developer and as a UX/UI, logo, and technical content designer and writer.

Web Communications Intern
Lutheran Social Services of Minnesota

Sep 2019-Present • 2 months • St. Paul, MN

Collaborates within a marketing/communications and web team to improve and maintain the organization's Drupal website and services contact data. Also contributes to discussions on UX/UI, social media performance, and content management.

Web Design Intern
Web and Mobile Services, Minnesota Historical Society

Jun 2019-Aug 2019 • 3 months • St. Paul, MN

Worked with web and business intelligence teams to implement a strong CRM and Scrum/Agile work environment. Additionally, collaborated on frontend coding projects and tasks to improve UX/UI design & functionality of society's website and internal communication applications.

Web Technical Assistant/Developer
College of Liberal Arts Web Team, University of Minnesota

Oct 2018-Aug 2019 • 11 months • Minneapolis, MN

Designed and maintained Drupal websites for various departments within the College of Liberal Arts. Also wrote and created Drupal training documents and lead Drupal trainings for department web editors.

Peer Advisor, Technical Writing and Communication
Department of Writing Studies, University of Minnesota

Feb 2019-Aug 2019 • 7 months • Minneapolis, MN

Built simple web applications to digitalize the peer advising role within the Technical Writing and Communication department. Also exercised brand information design and mass communication through the creation of department handouts and e-newsletters.
