EMILY RAPER

Organized developer, designer, and technical writer passionate about intuitive web technologies, applications, and innovative communication.

Web Communications Intern Lutheran Social Services of Minnesota

Sept. 2019 - Dec. 2019 • St. Paul, MN

Collaborated within a marketing/communications and web team to improve and maintain the organization's Drupal website and services contact data. Also contributed to discussions on UX/UI, social media performance, and content management.

Educational Technology Developer College of Science & Engineering, University of Minnesota

Sept. 2019 - Nov. 2019 • Minneapolis, MN

Collaborated with a team of developers to build startup educational tools, primarily using React.js and other in-demand and innovative web technologies. Contributed as both a JavaScript developer and as a UX/UI, logo, and technical content designer and writer.

Web Design Intern Web and Mobile Services, Minnesota Historical Society

Jun. 2019 - Aug. 2019 • St. Paul, MN

Worked with web and business intelligence teams to implement a strong CRM and Scrum/Agile work environment. Additionally, collaborated on front end coding projects and tasks to improve UX/UI design & functionality of society's website and internal communication applications.

Web Technical Assistant/Developer College of Liberal Arts Web Team, University of Minnesota

Oct. 2018 - Aug. 2019 • Minneapolis, MN

Designed and maintained Drupal websites for various departments within the College of Liberal Arts. Also wrote and created Drupal training documents and lead Drupal trainings for department web editors.

Peer Advisor, Technical Writing and Communication Department of Writing Studies, University of Minnesota

Feb. 2019 - Aug. 2019 • Minneapolis, MN

Built simple web applications to digitalize the peer advising role within the Technical Writing and Communication department. Also exercised brand information design and mass communication through the creation of department handouts and e-newsletters.
